

WHAT GOES WHERE?

FOODWASTE

This bin is for any food scraps

- Left over food on plate
- Fruit Peels
- Meat & Bones
- Flowers & Plants

WHAT GOES WHERE?

PAPER/WOOD

This bin is for CERTIFIED COMPOSTABLE paper products

- napkins & paper towels
- non-coated paper plates & bowls
- labeled certified compostable products (paper only)
- chopsticks & wooden utensils
- non-glossy paper

WHAT GOES WHERE?

COMPOSTABLE PLASTIC

This bin is for CERTIFIED COMPOSTABLE bio plastics
- must be labeled certified compostable products

* If there is no separate labeled bin for these, then they go in to the LANDFILL bin. The reason is we do not yet have a facility that can process these on Maui.

WHAT GOES WHERE?

RECYCLING

This bin is for recyclable products, which only includes

- Redeemable HI5 (cans, glass and plastic bottles)
- Clean glass jars or wine bottles
- Clean plastic with a neck or handle
- Corrugated cardboard

WHAT GOES WHERE?

LANDFILL

This bin is for trash that cannot be diverted

- Plastic gloves, bags, sheets, wrappers, etc
- Plastic utensils, cups and bowls
- Paper products lined with plastic
- Greenwashing products (potato-ware, earth-choice clamshell)
