

Huliau Green Events

# VENDOR GUIDELINES

## OUR MISSION

The Huliau Green Events program is designed to see this event's waste as a resource, and to divert an average of **80%** of event waste from the landfill. By doing this, you can help keep our land and oceans free of plastic, reduce your event's carbon footprint, and educate the public about the many alternatives to sending waste to the landfill. By working with us, you are also helping to support the Maui Huliau Foundation and their programs which build environmental literacy and leadership among Maui's youth.

## WHY SHOULD WE AVOID PLASTIC?

Plastic takes hundreds to thousands of years to break down, and their chemical toxins last even longer.

Wildlife mistake smaller pieces of plastic for food, allowing plastic to enter the food chain.

Plastic contains harmful chemicals that leach out into our environment and our bodies.

The creation of plastic products impacts the environment and releases greenhouse gasses.

# HOW YOU CAN HELP US GO GREEN

## PRE-EVENT

.....

- 1) Using BPI certified foodware (plates, cups, utensils, etc) is **mandatory** at this event. Please either choose all of your disposable foodware from our Huliau Approved list (attached separately) or send us photos of your existing products for approval. You will need approval on all products prior to the event. We will help you find the most appropriate and affordable foodware to use.
- 2) Please avoid bringing unnecessary disposable items such as excessive packaging and disposable table cloths. Use reusable options when possible and feel free to contact us for advice!

## DURING & AFTER THE EVENT

.....

- 1) Please share this with others working your booth.
- 2) You are welcome to use your own waste disposal containers, but please keep them hidden from the public.
- 3) \*Upon request\*, we will provide your booth with buckets for food waste, compostable foodware, and/or recyclables. We will collect them at the end of the event or you can bring them to our waste stations
- 4) Follow us on Facebook & Instagram @mauihuliau to share the event waste report and celebrate our zero waste efforts!

# Huliau Green Events Approved Product List

All products listed are BPI Certified Compostable

\*compostable products that contain  
PFAS are no longer certified.

These products can be  
found at **Maui Chemical,**  
**Island Grocery Depot, and**  
**Costco.**
