Event Sponsorship Information

Aloha,

We are writing to invite your business to sponsor our annual Huliau Food & Film Festival on August 29th, 2026 to benefit Maui Huliau Foundation's environmental education programs for Maui youth. This year, the event moves to a beautiful new outdoor setting at Kapuakukui Farm in Kula, where guests will enjoy stunning sunset and ocean views from Upcountry Maui.

The Huliau Food & Film Festival is a farm-to-table celebration of local agriculture featuring Maui's chefs and student-produced films. The festival will welcome 180 guests for an evening of live music, hula, and student-produced films that highlight the unique attributes and abundance of the Kula moku, as well as farms featured in the evening's dishes.

Maui Huliau Foundation is a nonprofit whose mission is to promote environmental literacy and leadership among Maui's youth through community-based educational experiences. Our programs range from environmental filmmaking, climate literacy, and youth leadership development to zero waste education and 'āina-based learning initiatives, all designed to empower students to understand environmental challenges and take action in their communities. You can read more about our programs and accomplishments in the attached annual report and on our website.

We would be honored to partner with your business in making this year's festival possible. This is a meaningful opportunity to support Maui's youth and environmental education while helping bring a truly special community celebration to life through your sponsorship. Mahalo for your consideration, and we look forward to hearing from you.

Mahalo,
